- TUES - Dallas/Toledo Bend/Crockett Areas
- WEDS - Lufkin Area
- THURS - Karnack/Center/Jasper/Garrison/Crockett/ Area
- FRI - Lufkin Area

Expansion:

Our lab is Growing. We have expanded

and have started using our new building. We call it the Annex, it is adjacent to our main building on the premises.

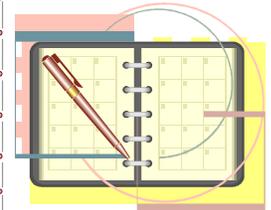

Special points of interest:

- Please make sure to mark your total samples correctly to get the proper credit.
- We now accept totals on Friday

Sample Custodian REQUESTS

We are using preprinted Labels now with unique identifiers on them. Please pay attention to Bottle ID's when you are sampling. Put Date on Label. Thanks

Chain of Custody should be with every sample brought to the lab. Please be as complete and accurate as possible as these are legal documents and validate your sample results

View our Scope of Accreditation Online at <http://www.eastexlabs.com/docs/2008%20SCOPE%20Nac.pdf>

FUN FACTS

Did you know each analysis has different preservatives?

BOD/CBOD	NONE
TSS	NONE
TKN	H2SO4
METALS	HNO3
OIL GREASE	H2SO4
TOC	H2SO4

MEET OUR NEW MEMBERS

Larin McDuffe and Pennie Covington

Larin started with us in August, 2010 as our Office Manager and now does our Sample Custodian duties and Micro Analysis. Larin has a Masters in Microbiology.

Pennie Covington came on board in November, 2010 as our secretary. If you need anything just call and let her know and she will

A Helping Hand
We have had one of our Coldspring Managers here with us, Kathleen Pifer, to assist in some Laboratory updates and changes. If you notice differences good and bad please let us hear about it. Your input is appreciated.

IMPORTANT NOTE:
PLEASE KEEP US POSTED OF PERMIT CHANGES

View our NELAC Certification Online at [http://www.eastexlabs.com/docs/2008%20NELAC%20Nac%](http://www.eastexlabs.com/docs/2008%20NELAC%20Nac%20)

SAMPLE MASTER LIMS SYSTEM

Did you know you can view your results via Result Point online? If you do not have an account set up, please contact us at eelnac@sbcglobal.net and we will set up an account for you.

Our LIMS system can alert us if your results are over your average permit levels. If you would like us to monitor this and call you when the limit is exceeded, just send us a copy of your permit and we will put the limits into our system and give you a call if your results are elevated.
